Property overview

About this property

SAY GOODBYE TO YOUR ELECTRIC BILL! This 2021-built Winter Haven home with LOW HOA's comes with a fully paid-off, owned solar system from Sunlight Solar worth \$40,000. There's no lease, no loan, and no monthly payment to take over, so you keep thousands of dollars in electricity savings every year! Want more? The home also comes with a fully owned whole-house water filtration system, and the A/C is on a maintenance plan. Inside is the builder's most popular floor plan, "The Cali": 4 bedrooms, 2 baths, and 1,867 sq ft, all on one level. The split layout gives the primary suite some privacy, and it has dual sinks and a large walk-in closet. The kitchen island and open layout make it easy to have people over, and wood-look laminate flooring runs through the kitchen, dining area, and living room. Enjoy your morning coffee on the screened-in lanai overlooking the private backyard and trees, with plenty of room for pets, play and Sunday BBQ's! The Lucerne Park Reserve community has a resort-style pool, a playground, and walking areas. It's right between Tampa and Orlando, about 30 minutes from Disney, and close to shopping, dining, schools, and major roads. Homes with fully paid-off, owned solar don't come around often.
