Property overview

About this property

From the moment you enter, the effect is unforgettable. Dramatic floor-to-ceiling windows create an immediate WOW factor, drawing your eye out to the tranquil canal, your own 55' dock and expansive view of mangroves. An abundance of natural light and a sense of openness defines this special residence. Completely reimagined and extensively rebuilt inside and out between 2022 and 2026, this is far more than a traditional renovation. Every space reflects a thoughtful approach to contemporary design, with attention to details. From the stunning custom kitchen featuring sleek European-inspired cabinetry, Bosch appliances, quartz waterfall island to the sophisticated lighting, impact resistant windows and doors, wide-plank wood-look porcelain tile flooring throughout and beautifully updated bathrooms to the resort-style 34' pool plus expansive covered outdoor entertaining area, a new metal roof, this distinctive property offers the appeal of contemporary luxury in one of Longboat Key's most desirable island settings.
