Property overview

About this property

Virtually Staged. A standout opportunity for newer construction in 33606, offering exceptional value in one of Tampa's most desirable in-town locations. Ideally located in North Hyde Park and within the Plant High School district, this impressive 5-bedroom, 3-bath Craftsman offers approximately 2,400 square feet of thoughtfully designed living space. With a detached, air-conditioned two-car garage, NO HOA and NOT in a flood zone, this nearly new home delivers exceptional space, flexibility and value. Inside, the home features a bright, open layout with engineered hardwood flooring, high ceilings and a comfortable flow between the kitchen, dining and living areas. The kitchen serves as the centerpiece of the main living space with stone countertops, a large center island, generous cabinetry and a walk-in pantry, making it equally suited for everyday living and entertaining. A first-floor bedroom and full bathroom provide valuable flexibility for guests, multigenerational living or anyone who prefers a bedroom and bath without stairs. Upstairs, the spacious primary suite offers a private retreat with a walk-in closet, dual vanities and an oversized walk-in shower. Three additional bedrooms complete the second floor, providing plenty of options for guest rooms, a home office, nursery, media room or fitness space while maintaining a true five-bedroom floor plan. Outside, the extended rear patio and fully fenced backyard create a private and functional outdoor living space for entertaining, dining, pets or simply relaxing. A wide covered front porch adds classic Craftsman character, while hurricane shutters, irrigation, rain gutters and energy-efficient windows add everyday convenience and practicality. The location is a major part of what sets this home apart. Walk to the new Rome Collective and enjoy the continued growth of dining, coffee and lifestyle destinations throughout North Hyde Park. Hyde Park Village, Oxford Exchange, Downtown Tampa, the Riverwalk, SoHo, Armature Works, shopping, dining and entertainment are all just minutes away. A rare opportunity to own a nearly new five-bedroom home with exceptional space, modern features and a highly connected North Hyde Park location.
