Property overview

About this property

Welcome to a truly one-of-a-kind residence at Riva Del Lago, where two condominium residences have been seamlessly combined to create an extraordinary 3,928 sq. ft. under air and 5,785 total sq. ft. home, a scale rarely found in Southwest Florida condominium living. With nearly 1,800 sq. ft. of private outdoor living space, this exceptional residence offers the space and comfort of a substantial single-family home paired with the effortless lifestyle and amenities of a luxury high-rise. The moment you enter, the sheer scale of the residence and its connection to the surrounding views take center stage. Expansive walls of glass frame breathtaking southwest views across approximately 300 acres of lakes and preserve at Lee County's Regional Lakes Park, filling the home with natural light and delivering spectacular sunsets. Multiple screened lanais extend the living space outdoors, with sweeping vistas toward the Gulf of Mexico and surrounding waterways. Designed for both gracious everyday living and entertaining, the expansive floor plan features two oversized primary suites, an additional en-suite bedroom, den/study, powder room, generous family and living areas, bar, and an impressive open kitchen. The home's substantial proportions provide remarkable flexibility for hosting guests while still allowing for privacy and separation of spaces. Riva Del Lago delivers a true resort-style experience with on-site management, an elegant lobby, media room, club room with bar and pool table, state-of-the-art fitness center, library, disappearing-edge heated pool and spas, cabana with grills, boat dock and storage, plus direct access for walking and biking into Lakes Park. Ideally located just minutes from shopping, dining, Southwest Florida International Airport, ballparks, hospitals, and the beaches of Fort Myers and Sanibel, this residence offers something increasingly difficult to find: estate-sized living without the upkeep of an estate. For the buyer who wants exceptional space, extraordinary outdoor living, panoramic sunset views, and the ease of a luxury condominium lifestyle, this remarkable combined residence stands in a class of its own.
