Property overview

About this property

Discover a rare opportunity in Daytona North. This 1.06 acre fenced property offers exceptional potential for anyone looking to rebuild, invest, or create a private Homestead with serious workspace capacity. The existing mobile home is not currently livable and will need full renovation or replacement — giving the next owner a clean slate to design exactly what they want. In the meantime, the sale includes a 2004 Kingstone Montana RV already connected to well and sewer, providing a convenient temporary living solution while you remodel or replace the home. This added flexibility makes the property ideal for buyers who want to start using the land immediately. A major highlight is the 858 sq ft detached garage/workshop, a true mechanic's dream. Equipped with a vehicle lift, extensive tools, an ample space, it's perfect for automotive work, storage, or a full hobby shop. Properties with this level of infrastructure are extremely hard to find in the area. With over an acre of land, full fencing, and multiple improvement options, 1542 Beech Blvd. stands out as a unique value in Bunnelli. Whether you're an investor, builder, or someone seeking a rural property with serious workshop capability, this one delivers opportunity you won't find elsewhere.
