About this property

Virtually Staged. Welcome to this beautifully remodeled home situated on a rare oversized lot in the heart of Tampa! One of the few properties in the area offering this generous lot size, this thoughtfully updated, move-in-ready home combines modern style, functionality, and flexible living with the added benefit of "NO HOA". One of the home's standout features is the private suite with its own separate entrance, full bathroom, and private porch....ideal for guests, multigenerational living, a home office, or a variety of other flexible uses. Major improvements include a new roof (2021), new double-pane hurricane-impact windows and exterior doors (2022), new A/C (2020), an upgraded 200-amp electrical service panel, and an updated laundry room. Inside, you'll enjoy abundant natural light, neutral designer finishes, a stylish coffee bar, and beautifully renovated bathrooms featuring modern porcelain-tiled showers, contemporary vanities/kitchen cabinets, and sleek fixtures. Outdoor living is equally impressive, with a pergola-covered patio, a newly built private porch and deck leading to the separate suite, mature professionally designed landscaping, a fully fenced backyard, a large storage building, and a covered carport. The oversized lot provides plenty of space to relax, entertain, garden, or create your own outdoor retreat. Ideally located just minutes from Downtown Tampa, this home offers convenient access to the Tampa Riverwalk, Armature Works, Water Street Tampa, Curtis Hixon Waterfront Park, the University of Tampa, major highways, shopping, dining, parks, and entertainment—placing some of Tampa's most desirable destinations within easy reach. This exceptional property offers comfort, style, versatility, and a lot size that's increasingly difficult to find in this desirable Tampa location—all without the restrictions or fees of an HOA.
