About this property

Welcome to private living with NO HOA! This home offers a landscaped yard fully fenced, partially vinyl and partially chain link offering that private feel. One highlight of this property is the large 12x20 enclosed, mini-split air-conditioned sunroom, providing a versatile additional living area that can be enjoyed year-round for entertaining, home office space or just a home owners lounge and relax area. There is no need to use the beautiful sunroom for storage, workshop or hobby area, take a look out back and you will appreciate plenty of room in the 2, 12x20 sheds both sitting on concrete slabs and one has been finished out with drywall, electric and a Mini Kitchen, how cool for a man cave or home office and let's not forget the RV hookup available and main break set up to convert power from a generator to the house. What great extra features! There is also a small greenhouse outside with new panels in the shed if you enjoy gardening. This place has so much potential and with a large yard for your fur babies to roam, gardening or simply for you to enjoy the private outdoor space. For the added outdoor enjoyment popular in Florida is an above ground pool with newer pump to cool off during those hot summer months located close to The Villages Spanish Springs Town Center and many other shopping centers, retail stores and restaurants you will have plenty of places to explore and things to do. This home offers a wonderful combination of comfort, convenient and outdoor living at an affordable budget. NOTE: if your looking for a 2nd home for an in-law or rental income then take a look a little closer and check out the 2/2 home directly next door with shared fence, same size large fully fenced yard and also a nice 12x20 shed. Come take a tour of one or both of these homes conveniently located to so much!
