Property overview

About this property

Virtually Staged. Pre-Construction. To be built. Introducing Hidden Gem Residences, a limited collection of just 12 luxury mid-century modern condominiums in the heart of Nokomis Beach Village, only eight blocks from the powder sugar sand beaches, warm Gulf waters & unforgettable sunsets of Casey Key's Nokomis Beach. Now accepting reservations, Hidden Gem offers a distinctive opportunity to help shape your future residence through relaxed, one-on-one meetings with the developer & builder at Lewie Bloom's Casey Key residence. These personal conversations allow buyers to explore customization possibilities & share their vision for a home that reflects their individual style, comfort & preferences. Designed for buyers who value architecture, privacy & an effortless coastal lifestyle, Hidden Gem offers five thoughtfully planned one, two & three-bedroom floor plans. For nearby Casey Key homeowners, a one-bedroom residence also offers an appealing option as a private retreat for visiting family & friends, keeping guests close while giving them a comfortable space of their own. Four distinctive penthouses together occupy the entire second floor, each with a private elevator; select penthouses also feature glass bridges that connect the main living area with the primary suite. Throughout the residences, clean architectural lines, expansive glass & high ceilings create bright, open interiors that embrace the outdoors. Generous private terraces extend the living space. At the heart of the community, lush tropical grounds surround a courtyard swimming pool. A private clubhouse with an entertaining area, kitchen & fitness center completes the resort-inspired setting. Just beyond Hidden Gem, Casey Key, Nokomis Beach & the Venice Inlet invite exploration by bicycle or golf cart. Walk miles of beach, spend an afternoon boating or fishing, watch for dolphins & manatees, then settle in for waterfront dining, live music & a sunset that melts into the Gulf of Mexico. An emerging vision for Park Place along Albee Road West—the route to Casey Key & Nokomis Beach—imagines expanded retail & cafés that would further enrich village life. Hidden Gem is an opportunity to become part of an authentic Gulf Coast village—relaxed in spirit, yet vibrant with local traditions, outdoor adventures & interesting community activities. Here, every day can feel like a vacation, & Nokomis Beach is not just a place, but a state of mind. The design was conceived by Robert M. Gurney, FAIA, an internationally recognized, award-winning architect, celebrated for modernist residences that unite disciplined form, natural materials, abundant light & a deep sensitivity to place. Gurney's vision is being brought to life by developer Bloom & Daughter Builders, led by Lewie Bloom & Emily Reynaud. Their combined expertise brings more than five decades of construction experience together with licensed general contracting & civil engineering knowledge, guiding the residences with quality, integrity & thoughtful attention to detail.
