Property overview

About this property

TURNKEY 11-BEDROOM VACATION HOME WITH \$180,000 PROJECTED 2027 GROSS RENTAL REVENUE - Welcome to 7639 Wilmington Loop, a fully furnished 11-bedroom, 10-bathroom vacation retreat inside the guard-gated Encore Resort at Reunion, just minutes from Walt Disney World. Recently refreshed with a completely new look, the home now features a clean, contemporary resort aesthetic with warm wood accents, soft neutral finishes, natural textures and thoughtfully placed greenery throughout. The result is an inviting, elevated design with broad guest appeal and the space, amenities and functionality needed to accommodate large groups. Designed for gathering, the open-concept main level connects a spacious living room, dining area and fully equipped kitchen. The redesigned living room features an oversized sectional, layered green accents and a custom wood entertainment wall, creating a comfortable yet polished centerpiece for the home. The large dining table and breakfast-bar seating provide ample room for shared meals, while the kitchen offers granite countertops, stainless-steel appliances and generous preparation and storage space. An additional beverage and coffee station adds convenience for high-capacity guest stays. The home offers 11 bedrooms, including nine ensuite bedrooms and three primary suites, allowing extended families and multigenerational groups to vacation together without sacrificing privacy. The refreshed accommodations combine calming, hotel-inspired bedrooms with select themed spaces designed to appeal to younger guests. Multiple bedrooms offer two beds for greater sleeping capacity, while playful Mickey-inspired, Star Wars and adventure-themed rooms add memorable touches without overwhelming the home's more sophisticated overall design. Entertainment is anchored by the climate-controlled Star Wars game room, an immersive space featuring dramatic wall murals, gaming stations, arcade-style activities, air hockey and foosball. A separate Star Wars-themed bedroom extends the experience, while additional family-friendly rooms give guests of different ages spaces of their own. Dual laundry rooms further support the demands of large groups and streamlined vacation-rental operations. Outside, guests can enjoy a private heated pool and spa, spacious pool deck, covered lanai and outdoor dining area. Mature hedging provides added privacy, creating a comfortable setting for swimming, relaxing and enjoying the Florida sunshine. Encore Resort at Reunion offers access to a 10-acre water park, resort pools, fitness center, sports courts, on-site dining, concierge services and scheduled transportation to Walt Disney World, Universal Orlando and SeaWorld. HOA services include cable, internet, landscaping, pest control and community maintenance, helping simplify ownership. Fully furnished and ready for its next owner, this high-capacity vacation home combines a fresh, marketable design, extensive guest amenities and a compelling new investment property in one of Central Florida's most established short-term-rental resort communities.
