Property overview

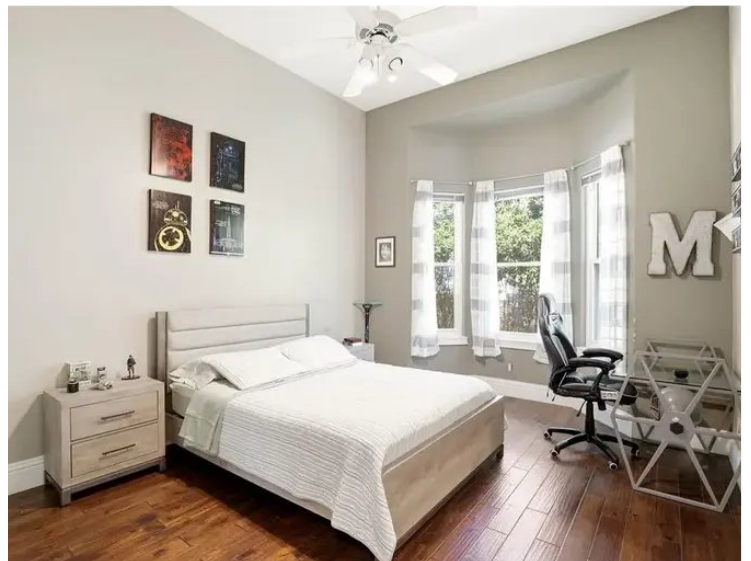

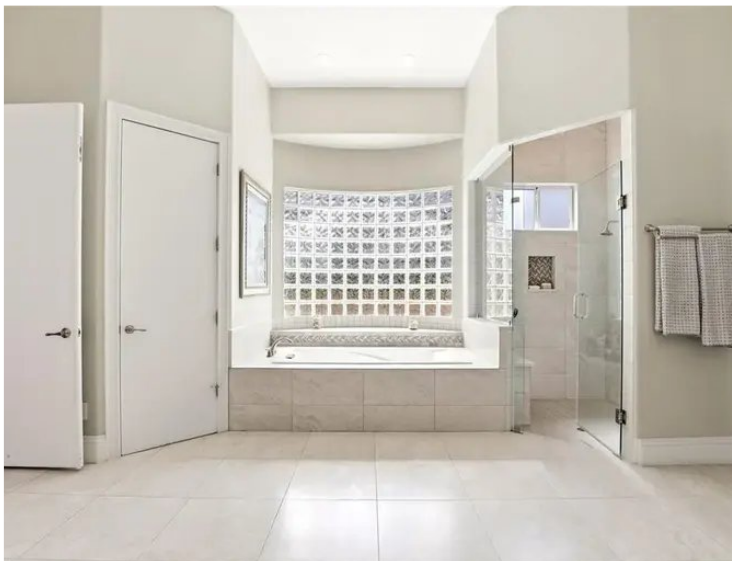

About this property

Welcome to this exclusive private estate situated on 0.73 acres in Dr. Phillips’ most sought-after guard-gated community of Cypress Point! From the moment you arrive, the home impresses with thoughtful design, refined craftsmanship throughout, and an elevated lifestyle that’s built for both everyday comfort and meaningful entertaining. Inside, the layout offers five bedrooms, five and a half bathrooms, an office, and a separate bonus room. Elegant travertine flooring flows through the main living areas, while the bedrooms feature real hardwood, creating a natural sense of warmth and luxury. Soaring ceilings and carefully planned transitions make the home feel exceptionally bright, open, and inviting. One of the most remarkable aspects of the property is how beautifully it connects indoor and outdoor living. The main gathering spaces open seamlessly to the pool and patio through stylish pocket doors, creating a dramatic sense of space and allowing your entertaining to extend effortlessly into the Florida outdoors. Whether you’re hosting a holiday gathering, enjoying an intimate evening, or simply relaxing in privacy, this home delivers the experience you expect from a luxury estate. The primary suite is designed as a true retreat, with direct access to the patio and a spa-like ensuite that feels like a private sanctuary. Thoughtful details elevate everyday routines, including dual vanities, generous counter space, a relaxing jetted spa tub, and an exceptionally large walk-in closet. It’s the kind of comfort and privacy luxury buyers value from the moment they step inside. The kitchen is equally impressive, combining exceptional style with performance. A large granite island anchors the space and provides seating for casual conversations, while the farmhouse sink and premium finishes add that “designer” touch. Equipped with Thermador Professional appliances, the kitchen supports everything from effortless weeknight cooking to refined entertaining. For gatherings, the family room offers both comfort and sophistication, with built-in wood cabinetry, a smart TV, and surround sound with subwoofers, complemented by a fireplace that adds warmth and ambiance. Upstairs, the bonus room provides flexible options for how you live, with privacy from the remaining rooms. It can serve as a media or game space, a home gym, or an additional office depending on your needs, while the layout still allows the home to maintain its elegant, spacious feel. Outside, the resort-style experience continues. The pool and entertainment patio are created for year-round enjoyment, featuring a complete outdoor summer kitchen and a setting that’s ideal for hosting friends, enjoying family dinners, or winding down in a truly private environment. Cypress Point delivers the lifestyle backdrop that luxury buyers seek, including guard-gated security and community amenities such as tennis courts, a basketball court, a clubhouse, a playground, and a scenic community dock with sunset views of Lake Sheen. This is an outstanding opportunity to own a beautifully estate in one of Dr. Phillips’ most desirable locations, where privacy, luxury finishes, and indoor-outdoor living come together in a way that feels both elevated and effortless.
