Property overview

About this property

Very low current rate. 10 Bedrooms. 8 Bathrooms. A Lake View. And It's Already Making Money. This isn't just a house. It's a business with a pool. Fully furnished, turnkey, and actively managed — this 10-bedroom, 8-bathroom Orlando vacation villa is generating income right now. And every confirmed future booking? It transfers to you at closing. You don't inherit a vacant property. You inherit a revenue stream. Sleeping up to 23 guests, this home was built for groups. Two living rooms. Two full laundry setups. A game room in the converted garage. A gourmet kitchen with granite countertops, stainless steel appliances, and an oversized island that becomes the center of every gathering. There's even a crib and high chair for the families traveling with little ones — the kind of thoughtful detail that drives five-star reviews and repeat bookings. Step outside and you've got a private screened pool overlooking a peaceful lake. No neighbors staring back at you. Just water, sky, and Florida sunshine. The location is the unfair advantage. You're 8 miles from Walt Disney World, 14 miles to Universal Studios, 10 miles to SeaWorld, and 19 miles to Orlando International Airport. The Space Coast and Atlantic beaches are just about an hour east. This is the address that guests search for — and book on repeat. Use it as a pure investment. Or make it your primary home and rent it when you travel. The flexibility here is real. The current property management company handles everything, and the entire operation — bookings, systems, and brand — conveys with the sale. You can be completely hands-off from day one. Opportunities like this don't sit on the market. A fully operational short-term rental in one of the most visited zip codes on the planet, with income in place and a private lake-view pool waiting for you. Schedule your showing today!
