Property overview

About this property

Welcome to one of Thornton Park's most distinctive addresses. This fifth-floor industrial condo at The Jackson sits 500 meters from Lake Eola and delivers a combination of raw character and refined finishes that's hard to find in this market. Ten-foot exposed concrete ceilings and a north-facing view of Orlando's tree canopy set the tone immediately. Light wood floors run throughout, and the open split floor plan is anchored in the living area by a floor-to-ceiling bookshelf framed by exposed concrete pillars. The kitchen features granite countertops, stainless steel appliances, and a large island open to the main living area, with north-facing floor-to-ceiling windows framing the tree canopy beyond. Step out to the private balcony or head up to the rooftop lounge for skyline views and community grills. The primary suite has floor-to-ceiling windows, dual vanities, and a large glass walk-in shower. The second bedroom sits on the opposite side of the unit with its own en-suite bath, which works well for roommates, guests, or a home office. A walk-in laundry room and additional utility closet offer storage that's rarely found in urban living. Building amenities include 24-hour security and concierge, a fitness center, business center, rooftop lounge, and a secure parking garage with one assigned space. Restaurants, cafes, and boutique shops are within walking distance.
