Property overview

About this property

Picture your own backyard pool! A pool company has evaluated the space and prepared a conceptual rendering, available for buyers to review. Seller is offering up to \$5,500 toward buyer's allowable closing costs with an acceptable offer, helping preserve personal funds for a future pool. Credit is subject to lender approval and loan program limits. Pool is not included in the sale; installation is subject to applicable approvals. Built in 2025 and loaded with premium upgrades, this 5-bedroom, 4.5-bathroom home offers 3,664 square feet of living space with room to gather, work, host, and unwind. Located in Winter Garden less than four miles from Walt Disney World property, it pairs high-end finishes with a flexible layout designed for everyday life. At the heart of the home, the chef's kitchen features stacked appliances, an induction cooktop, ceiling-height cabinetry, abundant storage, and designer finishes. The open layout connects the kitchen to the spacious living area, where a 12-foot glass sliding door fills the space with natural light and opens to a covered paver patio, an inviting setting for morning coffee or outdoor dining. The primary suite offers a relaxing retreat with a freestanding soaking tub, oversized shower, and elegant bathroom finishes. Two additional bedrooms feature private en-suite bathrooms, including a first-floor guest suite ideal for visitors or multigenerational living. Need space beyond the bedrooms? A generous first-floor home office, separate dining room, and spacious second-floor loft give you options. Create a dedicated workspace, playroom, formal dining area, or second gathering space to suit your needs. Additional highlights include a three-car tandem garage with a 50-amp electric vehicle outlet, a laundry room with a utility sink, and ceramic tile and laminate flooring throughout most of the home, with carpet limited to three secondary bedrooms. All appliances convey with the sale. Around four miles from Flamingo Crossings Town Center, the home offers convenient access to shopping, dining, entertainment, and everyday essentials. With nearly new construction, premium upgrades already in place, and flexible spaces throughout, this home is ready for your next chapter near the magic.
