Property overview

About this property

This is an exceptionally safe neighborhood and a wonderful place to raise a family. The home itself was remodeled with top-quality materials because it was originally intended to be my own residence. The renovations were completed in 2026, and with just a little personal touch and love in the bathrooms, this home becomes a truly stunning, modern space. The seller is offering a credit toward the bathroom renovations! The thoughtful renovations have created an open and spacious layout, including a versatile area beneath the staircase that is perfect for a home office, study nook, or workspace. As a corner property, the home enjoys abundant natural light throughout the day, creating a bright and inviting atmosphere. The primary suite is genuinely spacious, offering the comfort and retreat you deserve. The location of this community offers the privilege of minimal traffic, even during peak hours, thanks to its convenient access to SR 417, SR 528, Narcoossee Road, and other major routes. It is surrounded by shopping, dining, and some of the best schools in the Lake Nona area, and is located just 10 minutes from Downtown Lake Nona and Orlando International Airport.
