Property overview

About this property

EXCLUSIVE WIZARDING-WORLD-INSPIRED VACATION HOME IN KISSIMMEE, FL! Step through the door and into a world of magic. This fully furnished, professionally themed 3-bedroom, 2.5-bath home (approx. 1,807 sq ft, sleeps up to 12) was designed from the ground up to deliver the kind of immersive guest experience that turns one-time bookings into repeat visitors and five-star reviews. Each bedroom is its own enchanted escape, styled after a different House — rich house-color palettes, crests, and custom touches that make every stay feel like a sorting into something special. Beyond the bedrooms, guests will discover themed common spaces, photo-worthy decor moments, and immersive details throughout the home that capture the magic of the wizarding world from floor to ceiling. A dedicated dining and gathering space anchor the home for shared meals and storytelling after a day at the parks. This isn't just a home — it's a turnkey, story-driven short-term rental asset in one of Central Florida's most active vacation corridors. Themed properties like this consistently stand out in a crowded STR market: stronger guest engagement, higher save/share rates on listing photos, and built-in word-of-mouth marketing that generic furnished rentals simply can't match. Located minutes from Orlando's major theme parks, the home is positioned to capture year-round tourist demand. As an added bonus, the seller is including a 1-year Home Warranty, gifted by Sovera Realty Group — added peace of mind for an investor stepping into a fully operational rental. Buyer/investor to independently verify current and projected rental performance, occupancy history, HOA/STR regulations, and licensing requirements.
