Property overview

About this property

Welcome to this spacious, renovated home offering durable vinyl flooring throughout every bedroom, hallway, and staircase, located in the sought-after gated golf community of Providence! Comfortably accommodating up to 16, this home is a rare find for buyers seeking flexible living space, multi-generational living, or a high-performing investment property. The first floor showcases a gourmet kitchen with stainless steel appliances and granite countertops, an inviting living room and dining area, plus two first-floor master suites — one with a king bed and one with a queen bed — each offering a private en-suite bathroom. Upstairs, a second living area and game space lead to six additional bedrooms, including two more master suites with king beds, two bedrooms with queen beds, and two bedrooms each featuring two twin beds — perfect for accommodating large families or groups. The home offers two separate living areas plus a dedicated game room in the garage for added entertainment. Residents of Providence enjoy resort-style amenities including a 24-hour manned guard gate, two community pools, a residents-only clubhouse, fitness center, tennis courts, dog park, and a public golf course winding through the community. Best of all, Providence has NO CDD fees — a rare advantage in Davenport that can save buyers thousands of dollars annually compared to similar resort communities. This thoughtfully designed layout offers exceptional versatility, comfort, and income potential. Schedule your private showing today! Photos reflect the home's original professional photography. Floors, some furniture and decor have since been updated. All measurements and dimensions are approximate. While we have made every effort to provide accurate information, buyer and buyer's agent are responsible for independently verifying all dimensions, measurements, square footage, HOA fees, rental restrictions, CDD status, and any other community guidelines directly with the HOA and/or Polk County records.
