Property overview

About this property

College Park charm, wrapped in personality, style, and the kind of everyday convenience people move here hoping to find. Just four doors from Starbucks and Publix, this 5 bedroom, 3 bathroom home offers approximately 3,000 square feet of inviting living space in one of Orlando's most established and sought-after neighborhoods. ASK TO SEE THE VIRTUAL RENDERINGS From the moment you step inside, the home feels layered, collected, and full of life. Arched windows, plantation shutters, engineered hardwood floors, a wood burning fireplace, designer wallpaper, warm brass accents, and thoughtfully chosen finishes give each space a sense of character you simply cannot mass produce. The living spaces feel both polished and personal, with room to gather, linger, host dinner, curl up by the fire, or settle into the rhythm of College Park living. The kitchen is bright, functional, and beautifully updated with quartz countertops, white cabinetry, stainless appliances, subway tile, generous storage, and a large island that anchors the heart of the home. Just beyond it, the breakfast nook feels like the kind of sunny corner where coffee runs long and weekends start slowly. The dining room brings the drama in the best way, with Rifle Paper wallpaper, open shelving, and a transportive, dinner-party-ready feel. With five bedrooms and three bathrooms, the floor plan offers flexibility for guests, work-from-home space, playrooms, hobbies, or multigenerational living. The downstairs bath was remodeled with Serena & Lily wallpaper and warm modern finishes, adding another layer of style and charm. Out back, the large yard and covered patio create a true extension of the home, with space for grilling, entertaining, gardening, pets, play, or quiet evenings outside. A natural gas hookup is available for the patio grill. As someone who has lived in College Park for over a decade, including right across the street, I can tell you there is something truly special about this pocket of the neighborhood. Located within the Lake Ivanhoe District area of College Park, this home offers that rare blend of walkability, established charm, and everyday convenience, just minutes from Lake Ivanhoe, Edgewater Drive, Downtown Orlando, AdventHealth, Lake Highland Prep, and Bishop Moore. College Park is ideal for buyers who want charm, walkability, local restaurants, coffee shops, parks, everyday convenience, and a true neighborhood feel close to the center of Orlando. It is a neighborhood for people who want more than a house. They want a lifestyle, a routine, a favorite coffee spot, and a place that feels connected. Currently zoned for Princeton Elementary School, this home offers the rare College Park combination of space, updates, personality, a generous backyard, and an incredibly convenient location.
