Property overview

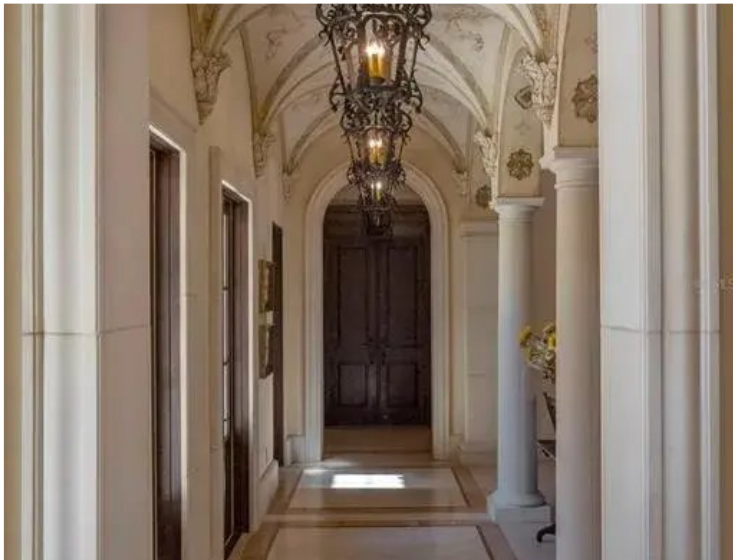

About this property

Experience luxury lakefront living on a grand scale in this exquisite estate on Lake Tibet, part of the pristine Butler Chain of Lakes in Windermere. This custom-built masterpiece by Goehring & Morgan is inspired by Andrea Palladio, one of the most influential architects in history, celebrated for his elegant country houses and villas. The design draws inspiration from the diverse regions of Italy, with the finest imported materials hand-selected to ensure authenticity. Every finish and detail was thoughtfully curated, showcasing refined craftsmanship, exquisite design elements and seamless indoor-outdoor living enhanced by stunning water views. Offering 14,068 square feet of living space with an elevator on more than four acres, this remarkable residence enjoys one of the most breathtaking lake views in the area. Thoughtfully designed with Palladian principles, the rear elevation is every bit as impressive as the front, maximizing the beauty of its exceptional waterfront setting. With 8 bedrooms 8 baths -and 3-half baths plus 2 bedrooms in guest house, this home offers every luxury amenity imaginable. The floor plan includes formal living and dining rooms, an open-concept kitchen and family room that flow effortlessly into the outdoor living spaces, a climate-controlled wine room, an office, a library, two bonus rooms, a fitness room and a private attached guest suite. The backyard retreat evokes the feeling of Lake Como, with picturesque sightlines, expansive lake views and covered outdoor living areas featuring fireplaces that surround the resort-style pool. Mature landscaping provides exceptional privacy while enhancing the ambiance of this extraordinary outdoor oasis. Artistry is evident throughout every space, highlighted by exposed wood beams with hand-painted details, frescoed ceilings, Old World tumbled brick floors and ceilings, inlaid marble and wood accents, barrel-vaulted ceilings, Venetian plaster finishes and countless other custom architectural elements. Within the guard-gated community of Keene's Pointe, this estate enjoys access to an exceptional lifestyle. Lake Tibet is one of the largest lakes on the Butler Chain, offering privacy and connectivity through the navigable canal system. The Butler Chain of Lakes, also known as the Windermere Chain of Lakes, consists of 13 interconnected lakes encompassing more than 5,000 acres of spring-fed water. Residents of Keene's Pointe enjoy access to the renowned Golden Bear Club, featuring a 250-acre Jack Nicklaus Signature Golf Course, a resort-style pool, tennis courts, a fitness center, multiple playgrounds and a clubhouse for private events. Combining small-town charm with unparalleled convenience, Windermere is just minutes from downtown Orlando and offers easy access to fine dining, world-class shopping, championship golf courses, top-rated schools, international and private airports, and world-famous theme parks. The Butler Chain of Lakes spans more than 4,900 acres of crystal-clear, spring-fed water and is renowned for its pristine sand bottoms, exceptional water quality and designation as an "Outstanding Florida Water."
