Property overview

About this property

Some homes are simply updated. This one has a personality all its own. Welcome to this one-of-a-kind 4-bedroom, 4-bath home in the gated community of Carriage Pointe, where artistic design, modern renovations, and exceptional indoor-outdoor living come together to create a truly unforgettable home. This oversized 0.34-acre corner lot sits on a quiet dead-end street with no neighbors to the left or rear. Mature privacy hedges surround the fenced backyard, creating a peaceful retreat, while two gated community entrances provide convenient access to shopping, dining, and major roadways. From the moment you arrive, the home impresses with its stacked stone façade, paver driveway, oversized 3-car garage, and professionally landscaped grounds featuring majestic oak trees, palms, agave, and decorative rock landscape beds. Inside, every detail has been thoughtfully designed. Updated flooring, beautifully renovated bathrooms, plantation shutters, and brand-new Reece impact-rated windows provide modern comfort, while artistic finishes add a distinctive character rarely found in residential homes. The welcoming foyer and formal living and dining spaces feature custom faux brick and textured wall finishes created by an artist who contributed to the Wizarding World attractions at Universal Orlando. The beautifully renovated kitchen is designed for everyday living and entertaining with dramatic black-and-white quartz countertops, a full-height matching backsplash, a stunning waterfall-edge island, abundant cabinetry, breakfast bar seating, and a sunny breakfast nook overlooking the spacious family room. The spacious primary suite offers a private retreat with a custom designer accent wall, dual walk-in closets, and a luxurious bath featuring dual vanities, a soaking tub, and a large frameless glass shower. Two secondary bedrooms share a convenient Jack-and-Jill bath, while the fourth bedroom and additional full bath provide flexibility for family, guests, or a home office. A standout feature is the private upstairs bonus room with its own full bath. Professionally soundproofed and currently used as a DJ studio, this versatile space can easily become a recording studio, podcast room, theater, gaming lounge, fitness space, office, or private guest suite. Enjoy Florida living year-round in the enclosed sunroom with insulated ceiling, creating a comfortable extension of the home's living space. Beyond awaits an incredible backyard retreat featuring a beautifully designed raised paver gathering space anchored by a grand wood-burning fireplace, creating the perfect outdoor setting for entertaining, relaxing, and enjoying evenings under the stars. Professional landscape lighting and mature privacy landscaping complete this special outdoor escape, with plenty of room to play, garden, or add a future pool. If you've been searching for a home that feels anything but ordinary, you've found it. With its creative design, thoughtful updates, versatile spaces, and unforgettable backyard, this is more than a home - it's a place where memories are made.
