Property overview

About this property

Virtually Staged. This condo is one of only three extra large ~1100sqft 1b/1ba units in the entire building (with the rounded tower) -- and is the perfect place for an individual or couple who want more space with amenities but don't need an extra room or to split between 2 bedrooms! The wraparound floor plan with the kitchen in the middle, two large walk in closets, a double vanity in the bathroom, a large cozy balcony and a massive living room and bedroom makes the space feel open and welcoming with plenty of natural light. The Quarter condo complex itself is centrally located, completely safe (gated garage and 24/7 roaming security cameras), and has hands down the best amenities in the area including: 2 full size pools, a hot tub, a full size gym, a movie theater, a pool table and foosball in a community event room, gated parking garages, and a local convenience store the next building over. You're also 2 blocks over from the historic 7th ave of Ybor, which features night life if that's your interest, but is also quite nice and safe during the day and weekday hours. If you walk a few blocks you'll find the stop for the free Trolley service, which takes you Downtown and to Channelside to see the Aquarium, Amalie Arena, Sparkman Wharf, and everything there is to do downtown without dealing with parking! Not to mention millions of dollars of development going into the Ybor/Channelside area with GasworX, as well as the tax bill set to pass in November in Florida, and property values will surely skyrocket over the next 10 years in this location specifically - no doubt about that!! This is a rare opportunity for a luxury Florida experience at nearly half the ticket price of nice single family homes in the area. Currently rented at 2.1k/month to stable tenants on a 7 month lease ending in January. (This property has never been at risk of flooding or had hurricane damage)
