Property overview

About this property

This Downtown Winter Garden stunner has continued to evolve with thoughtful, high-value upgrades that make it even more exceptional today. Located in the much sought after golf cart district and just steps from Plant Street's restaurants, markets, and year-round events, this home blends timeless character with modern convenience in a way few properties can match. Originally reimaged with a full professional remodel in 2023 — including brand-new roof, windows, electrical, plumbing, insulation, luxury vinyl plank flooring, Bosch appliances, Carrara quartz surfaces, and a magnificent, redesigned kitchen. Additional upgrades include a newly constructed one-car garage with parking pad - 2026 and a whole-home generator providing both functionality and peace of mind rarely found in homes of this era. These additions compliment the already impressive split-floorplan featuring 4 bedrooms (and bonus room), 2.5 baths, an oversized island kitchen with fireplace feature wall, gallery-style windows, and a private primary suite with walk-in closet. Every inch of this home reflects quality, style, and intention — from the high-grade materials used throughout to the continued improvements that elevate daily living. Homes like this, with extensive permitted renovations and meaningful new upgrades, simply do not come to market often in Winter Garden. Homes this special in the heart of Winter Garden are rarely available for long — claim it before it's gone.
