Property overview

About this property

8 bedrooms. 3 full baths. Approximately 1,750 SF. Just blocks from Plant Street. Space and location set this property apart. Offering 8 bedrooms and 3 full baths across approximately 1,750 SF, the home sits on a 9,431 SF fully fenced lot—a combination of interior space and land increasingly difficult to find this close to Historic Downtown Winter Garden. Built in 1925 and sold as-is, the home presents an opportunity to update and personalize to your own vision. The flexible room count provides options for bedrooms, guest space, home offices, or additional living needs, while the generous 75' x 125' lot leaves plenty of outdoor space to create a garden, entertaining area, or backyard retreat. No HOA, city utilities, and R-2 zoning add to the property's flexibility and long-term appeal. Location is the part that cannot be renovated. Enjoy being just blocks from Plant Street, the Saturday farmers market, restaurants, cafés, shops, entertainment, and the West Orange Trail, with Lake Apopka, SR-429, and Florida's Turnpike conveniently nearby. Currently income producing, the property offers the flexibility to maintain its existing rental use or be delivered vacant upon request. 8 Bedrooms. 3 Full Baths. Approx. 1,750 SF. 0.22 Acres. 9,431 SF Lot. 75' x 125'. No HOA. Bring your vision and make the space your own in a location that's increasingly difficult to replicate.
