About this property

Virtually Staged. Welcome home to this one-story pool home situated on an oversized lot that overlooks a pond! ***NEW WINDOWS, NEW COMMODOES, 2022 ROOF, 2020 SMART POOL*** Tucked into the back of this gated community, this spacious oasis is ready for its next owners. One of Florida's most popular floor plans features a formal living space at the entrance of the home, casual living space in the middle of the home, the primary suite privately on one side of the home, and the 3 secondary bedrooms on the other side of the home. Choose to repurpose the "formal living space" into whatever your wants and needs may be, or use them as the formal living room and formal dining room as the builder intended. The primary suite has an extension included and is ready to be used as yet another flex space. French doors open from this extension right onto the covered outdoor living space. The primary bathroom boasts a soaking tub, dual vanities, and 2 custom closets. The casual living space is open and inviting with the kitchen, large dining nook, and family room, and lots of natural light brightens this space up even more by way of a wall of sliding glass doors that lead to the outdoor living space, another door with a window that also leads to the outdoor living space, and a set of bay windows in the dining nook. Bedrooms 2 and 3 are located down a hallway off of the casual living space and have a full bathroom they share. The 4th bedroom is in the back of the home with its own bathroom. Step out back to the screened in patio which holds a gorgeous pool with a sun shelf and waterfall, covered portion, and extension under the screen for total and full enjoyment opportunities! Continue outside of the screen enclosure to the fully fenced in backyard that overlooks a pond. Whether looking for peace and serenity or fun and activity, this home has a solution to it all!
