Property overview

About this property

Step into this beautifully furnished 5-bedroom, 4.5-bathroom townhome at Windsor at Westside, one of Kissimmee's popular vacation communities. With 2,263 square feet of living space over two floors, the property offers a spacious layout designed with vacation guests and comfortable family living in mind. The open-concept first floor provides plenty of room for everyone to gather, dine, and relax. A downstairs bedroom with a full private bathroom adds valuable convenience for families traveling with older guests or those who prefer first-floor accommodations. The home is being offered fully furnished, providing a true turnkey opportunity for the next owner. Outside, the screened-in private pool and covered lanai create an inviting outdoor retreat. Whether guests are cooling off in the pool after a day at the theme parks or enjoying an evening outdoors, the pool area adds significant appeal to the home. A half bathroom located near the pool provides additional convenience. The property is currently being operated as a vacation rental, giving investors the opportunity to purchase an established short-term-rental property rather than starting from scratch. Due to its active rental schedule, showings may need to be coordinated around guest reservations. Windsor at Westside offers the type of resort environment that vacation travelers look for, with amenities including a resort-style swimming pool, lazy river, Tiki Bar, tennis and basketball courts, and a game room. Its convenient Kissimmee location places guests within easy reach of Walt Disney World, Universal Orlando, and many of Central Florida's dining, shopping, and entertainment options. For buyers looking for a furnished vacation home with a private pool, resort amenities, and income-producing potential, this property offers an excellent opportunity to become part of the Central Florida vacation-rental market.
