Property overview

About this property

NEW PRICE! Welcome home to this fabulous 4-bedroom, 2.5-bath pool home, offering a spacious floor plan designed for both comfortable everyday living and entertaining. The primary bedroom is conveniently located on the first floor, while three additional bedrooms and a generously sized bonus room are upstairs. The first floor living areas feature ceramic tile throughout the living room, dining room, kitchen, and casual eating area. The kitchen and dining space flow naturally toward the outdoor living area, where an above-average-sized screened swimming pool and spa provide the perfect setting for relaxing, entertaining, or enjoying Florida living year-round. Upstairs, the large bonus room offers plenty of flexibility—create a media room, game room, home office, fitness area, or additional gathering space. Outside, the screened pool and spa overlook a small pond, creating additional separation from the neighboring homes and a more private backyard setting. Adding to the appeal, the home is situated on a dead-end street, offering less through traffic and a quieter residential atmosphere. With a first-floor primary suite, flexible bonus space, a spacious pool and spa, pond views, and a desirable location, this home has the space and features you've been looking for.
