Property overview

About this property

For buyers seeking a short-term rental investment designed around the guest experience, 2127 Lelani Circle is a fully furnished, turnkey property in the amenity-rich Windsor Island Resort, offering 4,399 sq. ft. with 10 bedrooms and 8 bathrooms. Custom painting, cinematic character theming and atmospheric LED lighting effects throughout give the interior its own identity, while a south-facing heated pool and spa extend the vacation experience outdoors. The open blue-and-white living space introduces the home's blend of luxury and distinctive design, with a leather sectional and coordinated seating arranged around a custom textured media wall feature with LED backlighting. The kitchen pairs modern cabinetry, stainless steel appliances and granite countertops with an oversized island seating 4 and nearby dining for 8. Two bedrooms are located on the main level for added convenience and flexibility. The signature Mickey suite is hand-painted throughout in a Mickey-inspired palette, complemented by vintage-style Mickey and Minnie artwork and a private en suite that also serves as the pool bath. Several upstairs bedrooms create their own immersive settings through hand-painted walls and ceilings, oversized murals, framed artwork and integrated LED lighting effects. Spider-Man, Minions, Frozen and Avengers designs surround guests with color and character, joined by a galaxy room in painted starfields and a wizarding room with portraits set into the ceiling. The oversized Mario-themed game loft continues the experience with bold color-blocked walls, illuminated gaming art, sectional seating, a wall-mounted television, ping-pong and foosball tables, while the 2-car garage remains available for parking and storage. Beyond the sliding doors, an extended paver deck surrounds the south-facing heated pool and spa, while the covered lanai provides shade for outdoor seating and alfresco dining. Then there is Windsor Island itself—ALOHA! The Hawaiian-inspired Aloha Clubhouse anchors a water-park-style complex featuring a zero-entry resort pool, lazy river, dual waterslides, splash zone, hot tub, private cabanas and the Blue Marlin Grille. A fitness center, arcade, miniature golf, playground, sports court, firepit and organized activities complete the amenity offering. All of this is just a few miles from Walt Disney World, with convenient access to shopping, dining and Central Florida's major roadways.
