About this property

Virtually Staged. A soaring living room with high ceilings creates the centerpiece of this two-story Ventura Country Club home, where the main living and dining spaces flow together beneath an open loft above. Updated laminate flooring carries through the main living areas, while the kitchen offers abundant cabinetry, updated appliances, tile flooring, and an adjoining dining nook. The first-floor primary suite adds everyday convenience with a walk-in closet and en suite bath, while two secondary bedrooms and a flexible loft are located upstairs with recently replaced carpeting. Additional improvements include interior and exterior paint, updated ceiling fans, toilets, a refreshed half-bath vanity, a 2019 A/C system, 2020 water heater, and a Tesla solar system with two Tesla battery units. Sliding doors extend the living space to the covered rear patio and backyard, creating an easy spot to relax outdoors. Ventura Country Club enhances the lifestyle with a 24-hour guard-gated entrance, community pool, clubhouse, fitness center, golf, tennis courts, playground, park, and sidewalks. The location also offers convenient access to Orlando International Airport, shopping and dining along the Semoran Boulevard corridor, and SR 528 for connections throughout the Orlando area. With a first-floor primary suite, flexible upstairs living space, meaningful updates, outdoor living, and an extensive collection of community amenities, this home brings together everyday function and recreation in a convenient Orlando setting.
