Property overview

About this property

Charming and Affordable Florida Ranch on a large lot with No HOA! Tucked amongst a canopy of mature live oaks, this very nice 3 bedroom, 1 bath home blends mid-century character with thoughtful updates. The renovated garage space adds more living space. Circular driveway, Roof 2019, AC 2018 Inside, you'll find a bright, open living area with rich wood-look flooring, a ceiling fan, and a built-in display shelf that adds vintage charm. The kitchen offers generous wood cabinetry, a stainless refrigerator and range, and a garden window over the sink that fills the space with natural light. Down the hall, several spacious bedrooms feature classic terrazzo and more luxury vinyl and carpet flooring, ceiling fans, and oversized windows. The retro-cool bathroom is a time capsule in the best way — original green tile, a deep soaking tub, and tons of character waiting for your personal touch. A dedicated laundry/utility room with a utility sink and built-in shelving adds practical storage. Outside reveals a huge, private backyard shaded by towering oaks, bordered by natural greenery for extra privacy — plenty of room for a garden, firepit, or play area, and a paver patio. Well Established area and just minutes to shopping and restaurants. Welcome home!
