Property overview

About this property

Virtually Staged. Tucked behind the gates of Tapestry, this 2017-built home delivers the kind of polish buyers dream about. Set on a corner lot with a 3-car garage, this two-story residence offers 4 bedrooms, 3 bathrooms, and 2,307 square feet of thoughtfully upgraded living space, including a downstairs bedroom that flexes easily as a home office or guest suite. The kitchen and living room were just renovated, featuring quartz countertops, high-end appliances, a generous island for entertaining, and designer lighting that sets the tone the moment you walk in. New flooring flows throughout, and the staircase illuminates as you ascend, a signature touch that elevates the everyday. Two of the three bathrooms have also been beautifully updated. Upstairs, a versatile loft with an upgraded entertainment center invites movie nights and quiet evenings alike, while the primary suite offers a true retreat with dual sinks, a soaking tub, and a separate walk-in shower. Step outside to the true showstopper: a brand-new outdoor kitchen with built-in grill alongside the screened pool with a baja shelf, creating a private resort experience of your own. Beyond your door, Tapestry's amenities continue the theme: a clubhouse, fitness center, resort-style pool with slides, playground, and 24-hour gated security. And the location can't be beat: you're minutes from Walt Disney World, Universal Studios, and SeaWorld, with The Loop's outdoor shopping and dining just around the corner for your favorite restaurants, boutiques, and weekend errands. This is more than a home. It's an elevated way of living, in the heart of everything Orlando has to offer.
