Property overview

About this property

Experience the charm of one of Orlando's most iconic historic neighborhoods without sacrificing the comfort of newer construction. Built in 2022 and tucked into the heart of Lake Eola Heights, this custom 3-bedroom, 2.5-bath home blends timeless character with a fresh, modern design, all just five blocks from Lake Eola Park and Downtown Orlando. Inside, wide-plank wood flooring and an open-concept layout create a bright, inviting main living space designed for both everyday living and entertaining. The kitchen is equally stylish and functional, featuring crisp white shaker cabinetry, stainless steel appliances, upgraded lighting, and a picturesque window above the sink. Upstairs, all three bedrooms, two full bathrooms, and the laundry room are thoughtfully positioned away from the main living areas. The primary suite feels like a true retreat, featuring dual walk-in closets and a private balcony showcasing views of the Downtown Orlando skyline—the perfect spot for morning coffee or winding down at the end of the day. Outside your door, enjoy the tree lined streets and historic character Lake Eola Heights is known for, with the Lake Eola Farmers Market, restaurants, coffee shops, entertainment, and the energy of Downtown Orlando just blocks away. With no HOA, newer construction, a coveted downtown location, and a rare combination of historic-neighborhood charm and modern convenience, 210 Hibiscus Ct offers a lifestyle that's hard to replicate in the heart of Orlando.
