Property overview

About this property

Virtually Staged. Welcome to this impressive 5-bedroom, 4-bath home with a 3-car garage in the highly desirable Hawksmoor community of Horizon West. Built in 2021, this beautifully designed two-story home offers an exceptionally flexible floor plan, generous indoor and outdoor living spaces, peaceful water and natural views, plus an outstanding energy feature a Tesla whole-home backup power system with solar. One of the home's most valuable upgrades is its Tesla backup battery and solar system designed to provide whole-home backup power. The sellers currently enjoy an electric bill of approximately \$34 per month, and the entire solar and battery system will transfer to the new buyer at no additional cost, providing an exceptional combination of energy efficiency, backup power and long-term value. From the moment you arrive, the home makes a great first impression with attractive architectural details, mature landscaping, a paver driveway and three-car garage. Step inside to a welcoming foyer and a dedicated private office, providing an ideal space for working or studying from home. The heart of the home is the expansive open-concept living area, where the kitchen, dining and family rooms flow seamlessly together. The spacious kitchen features an oversized center island with abundant seating, extensive cabinetry and counter space, gas cooktop, built-in oven and microwave, stainless steel appliances and a separate walk-in pantry. Large sliding glass doors fill the living area with natural light and create a wonderful connection to the outdoor living space. The first floor also features a bedroom and full bath, offering excellent flexibility for overnight guests, extended family or multigenerational living. Upstairs, the oversized primary suite provides a relaxing retreat with a tray ceiling, multiple windows and beautiful views. The spacious primary bath features dual vanities, a soaking tub and separate walk-in shower. Additional bedrooms and baths provide plenty of room, while the conveniently located upstairs laundry room makes everyday living easier. An expansive upstairs loft/family room provides an entirely separate living area with endless possibilities as a media room, game room, playroom, fitness area or second family room. Outdoor living is another standout feature. Large sliding doors open to an extended covered lanai overlooking the spacious fenced backyard, water and natural green space beyond. Whether enjoying your morning coffee, entertaining friends or relaxing at the end of the day, this peaceful setting provides an inviting extension of the home with plenty of usable yard space. Beyond the property, Hawksmoor offers an amenity-rich lifestyle with a resort-style community pool, clubhouse, fitness center, playground and outdoor recreation. Located in Horizon West, the community provides convenient access to shopping, dining and entertainment at Hamlin, area parks and trails, SR-429, Walt Disney World and the many attractions of Central Florida. Historic Downtown Winter Garden, with its restaurants, shops, farmers market and West Orange Trail, is also within easy reach.
