Located on the 8th fairway of Orange Tree Golf Club, this beautiful 4-bedroom, 2-bath home sits on an oversized lot with a huge front yard and spacious backyard. One of the very few locations in the community where you can enjoy views of more than one hole, this property has the 7th tee directly across the backyard, creating an exceptional backdrop of expansive green space and mature landscaping. From the moment you enter through the custom front doors, you'll immediately notice the abundance of natural light, wonderful open feel, and thoughtful floor plan. The split-bedroom floor plan offers privacy and functionality, with the spacious primary suite located on one side of the home and the additional three bedrooms on the opposite side. The primary bedroom is generously sized and features a huge walk-in closet and beautifully remodeled bathroom. The three additional bedrooms share a beautifully updated bathroom, while the fourth bedroom features French doors, making it equally ideal as a bedroom, home office, nursery, or flex space. The completely remodeled kitchen has been opened up to the living room, creating a bright, connected space that is perfect for entertaining and everyday living. At the rear of the home, the Florida room offers one of the best places to enjoy the setting so grab your morning coffee and watch the sunrise, or relax with a glass of wine in the afternoon while taking in the peaceful greenery and golf course views. With a completely remodeled interior, incredible natural light, a desirable split-bedroom layout, oversized lot, and truly rare multi-hole golf course views, this is an exceptional opportunity to own a move-in-ready home in one of Orange Tree's most sought-after locations.
