Property overview

About this property

Fully renovated, refreshed, and ready for its next chapter. 3811 Wilts Street is a 2-bedroom, 1-bath block home set on a spacious 0.34-acre lot with lakefront views. This single-story home has undergone a comprehensive renovation, bringing together modern updates and practical improvements throughout. The renovation includes new roof trusses and roofing, a new Carrier A/C system, new interior and exterior electrical wiring, new electrical panels, outlets, lighting and switches, and updated plumbing. The kitchen has been completely updated with new cabinetry and appliances, giving the home a clean, modern feel from the moment you walk in. Beyond the interior, the oversized lot and water views provide something you don't often find with a home at this price point. With the major renovations completed, the next owner can focus on enjoying the home rather than taking on a renovation project. Conveniently located in Orlando with easy access to major roadways, shopping, dining, entertainment and everyday conveniences.
