Property overview

About this property

Custom-built by Justice & Wood Builders, this 4-bedroom, 3-bathroom Modern Farmhouse sits on a rare 0.47-acre lot in Oakland Hills, an intimate community of just 17 homesites minutes from Historic Downtown Winter Garden. Towering, moss-draped oaks frame the property and set a peaceful tone from the moment you arrive. Inside, wide-plank wood floors and abundant natural light flow through an open-concept living space crowned by cathedral ceilings and exposed timber beams. The kitchen goes well beyond standard gourmet, with shaker cabinetry, quartz countertops, a massive blue-gray center island, a deep farmhouse sink, professional stainless steel appliances, and a natural gas range built for serious cooking. The bedrooms are generously sized and well separated. The upstairs bedroom is flexible enough to serve as a home office, gym, media room, or guest suite, and it has air-conditioned storage and a large walk-in attic. The bathrooms feature clean lines, modern fixtures, and custom tilework. The laundry room has extensive cabinetry, quartz counters, and a patterned tile backsplash. The three-car garage includes an EV adapter in the third bay. Out back, the fully fenced yard feels like your own resort, with a pool and spa surrounded by a spacious paver patio and a fire pit area for evenings outside. Downtown Winter Garden's Farmers Market, Plant Street Market, boutiques, and restaurants are minutes away by car or golf cart.
