Property overview

About this property

Some homes simply sit in a neighborhood. This one feels like it belongs there. Welcome to 150 Hammock Preserve Loop, a 2023 Rockwell Homes residence tucked into the heart of Oakland Park, where the front porch looks out toward mature oak trees and the best parts of the Winter Garden lifestyle are never far from home. Step inside and you're immediately greeted by a dedicated office to the left of the entry, creating the perfect work-from-home space while keeping it separate from the main living areas. Throughout the home, thoughtful custom updates give each space a personality of its own. The primary suite is conveniently located on the main floor, while the additional bedrooms and spacious loft are upstairs, creating a layout that offers both separation and flexibility. A rare three-car garage provides the extra space that can be difficult to find in Oakland Park, whether you need room for vehicles, golf carts, bikes, storage, or all of the above. Out back, the generous yard offers plenty of room to create your own outdoor retreat, including space for a future pool. But what makes this home especially difficult to replicate is everything beyond the front door. Oakland Park is one of Winter Garden's most sought-after communities for a reason. Tree-lined streets, front porches, parks, playgrounds, two resort-style community pools, a clubhouse, dog park, waterfront spaces, and miles of trails create a neighborhood designed to actually be enjoyed. Hop on your bike and connect to the West Orange Trail, or grab the golf cart and head toward Downtown Winter Garden for a morning at the Farmers Market, drinks at Crooked Can, dinner along Plant Street, boutique shopping, community events, and everything surrounding Plant Street Market. Here, weekends can start with coffee on the front porch beneath the oaks, turn into an afternoon by the pool or on the trail, and end with a golf cart ride into Downtown Winter Garden. Built in 2023, filled with custom touches, complete with a dedicated office, rare three-car garage, and a backyard ready for what comes next, 150 Hammock Preserve Loop offers more than a beautiful home. It offers the Oakland Park lifestyle that makes this neighborhood so special.
