Property overview

About this property

Welcome home to 517 Garden Heights Drive, right in the heart of Winter Garden's golf cart district. This fully renovated 4-bedroom, 2-bath modern farmhouse sits on a third of an acre, about a mile from the shops, restaurants, and events on Plant Street, with Lake Apopka views right from your driveway. The big-ticket items are already taken care of: a brand-new roof (July 2025), new water heater (2025), and HVAC replaced in 2021. Inside, nearly 2,000 square feet has been completely refreshed with new tile flooring, fresh paint and texture, and modern wood accent paneling. The open floor plan centers around a shiplap fireplace, with new ceiling fans and light fixtures throughout. The kitchen is the true showpiece, featuring quartz countertops, shaker cabinets, gold hardware, stainless steel appliances, and statement pendant lighting. Both bathrooms were redesigned with custom tile and dual vanities, and the primary suite adds a sliding barn door and a spa-style bathroom. Step out to the screened-in porch with its own wet bar, overlooking a huge backyard made for weekend gatherings or slow mornings with coffee. A 2-car garage gives you plenty of room for storage, tools, and the golf cart. And no HOA! Move-in ready, beautifully updated, and minutes from everything that makes Winter Garden such a special place to call home. Come see it for yourself.
