Property overview

About this property

This is the one that you've been waiting for. Welcome home to the coveted "Brookhaven" model originally built by M/I Homes. This 4 bedroom/three bath home is wonderfully designed to impress the pickiest of buyers. The second you walk in the front door you'll be greeted with a spacious open floor plan with high ceilings that make the space feel even more expansive. AS you enter, you'll have the flex room/office on your left and the dining room on your right. You will also be greeted by the large family room space with your dream kitchen opposite. In the kitchen you will notice double ovens, stainless steel appliances, a huge island along with quart countertops making this kitchen ideal for baking. On one side of the home, you will find your primary bedroom which is quite spacious to say the least accompanied by the primary bathroom which is truly a showstopper. It comes equipped with separate vanities, a large shower with a rain shower head plus a secondary head for showering. How could I forget the wall mounted jets in the shower that will make you feel like you are in a spa. Besides the shower, you also have a soaking tub for those long days at work. A large walk-in closet comes off of the bathroom, and you'll even notice a secondary closet to boot. On the other side of the home, you'll find 3 bedrooms, a full bathroom and a jack & jill bathroom as well. Off of the family room is the lanai which is quite large and great for entertaining guests. This community features a pool, natural gas, playground and is gated.
