Property overview

About this property

Virtually Staged. Picture a sunny Ocala afternoon, with the sliding glass doors open, a breeze drifting through the Florida room, and your screen-enclosed pool waiting just beyond. At 7430 SW 100th Place in Ocala, Florida, that scene can become part of everyday life. Set on .34 of an acre, this 3-bedroom, 3-bathroom Southwest Ocala pool home offers 2,324 square feet of living space with room to gather, unwind, and make yourself at home. Welcome guests into the formal living room, celebrate special occasions in the formal dining room, or settle into the eat-in kitchen for morning coffee and everyday conversation. A separate family room or den provides another comfortable space for movie nights, hobbies, or a quiet afternoon with a book, while the split-bedroom floor plan creates a sense of privacy between the primary and guest bedrooms. The oversized Florida room brings the home’s indoor-outdoor lifestyle to life, featuring its own bathroom and sliding glass doors that open onto the pool deck. From a refreshing morning swim to a relaxed evening beside the water, the screened enclosure makes this outdoor space an inviting extension of the home. Newer major systems—including the roof, HVAC, and water heater—along with a completely paid-in-full solar system add practical appeal. Beyond your own backyard, explore the gardens and walking paths of nearby Sholom Park or enjoy equestrian events and dining at the World Equestrian Center, two destinations that make the Ocala, Florida lifestyle so appealing. Whether your day calls for exploring Central Florida or simply enjoying your own poolside retreat, this Southwest Ocala home offers space to live comfortably and make lasting memories.
