Property overview

About this property

SPACE, UPDATES & A 3-CAR GARAGE! This spacious 5-bedroom, 2.5-bath home offers 2,223 sq. ft. of living space PLUS a flex room, providing plenty of room for a home office, hobby room, playroom or additional living space. Situated on a corner lot in Marion Oaks, the home also features a hard-to-find 3-car garage, vinyl-fenced backyard and covered screened porch. Inside, you'll find granite countertops, tile in the kitchen and baths, an updated primary shower and fresh interior paint throughout. New waterproof flooring was installed on both levels in August 2026. Many of the major updates have already been completed, including a 2022 ROOF, A/C with UV light in 2022, water heater in 2021, refrigerator and double oven in 2023, and Maytag washer and dryer in 2025. The septic was pumped in 2025, vents professionally cleaned in 2024, and additional updates in 2026 include new faucets, showerheads, toilet seats and smoke detectors. Outside, the vinyl-fenced backyard offers room to relax or entertain, with a screened porch and low-maintenance artificial turf just outside. There's even space upstairs for a future laundry hookup if desired. With FIVE bedrooms, a flex room, 3-car garage, corner lot and extensive recent updates, this home offers an impressive combination of space, flexibility and functionality. If you've been looking for a home with room to spread out and so much already taken care of, 6934 SW 129th St deserves a closer look.
