The first-floor primary suite serves as a private retreat with direct access to the lanai and pool area. The updated spa-inspired bath features designer cabinetry, quartz countertops, a freestanding soaking tub, oversized walk-in shower, premium fixtures, and elegant floor-to-ceiling tilework. Completing the owner's retreat are two spacious walk-in closets, including a large walk-in closet directly off the bedroom and an additional oversized walk-in closet conveniently located off the bathroom, providing exceptional storage and organization. The secondary bedroom layout offers both comfort and privacy for family and guests. Two bedrooms feature en-suite bathrooms, while two additional bedrooms are connected by a Jack-and-Jill bathroom. The expansive second-floor bonus room serves as a versatile gathering space, ideal as a media room, game room, lounge, or secondary family room. A dramatic vaulted tongue-and-groove wood ceiling creates architectural interest and warmth, while large windows and French doors fill the space with natural light and provide direct access to the covered second-floor terrace overlooking the pool and golf course. A conveniently located half bath serves the bonus room and outdoor terrace, making the space perfectly suited for entertaining family and guests. Designed to embrace Florida's indoor-outdoor lifestyle, the home offers an abundance of covered outdoor living space. The resort-style outdoor area features a covered lanai, summer kitchen, pool, spa, dedicated pool bath, and multiple gathering spaces thoughtfully positioned to capture views of the Golden Bear Club's signature finishing hole. An expansive covered second-floor terrace with a tongue-and-groove wood ceiling is accessible from multiple bedrooms as well as the bonus room, providing stunning views of the pool and golf course.
