About this property

Virtually Staged. Located in Celebration's desirable South Village, this beautifully maintained 3-bedroom, 2.5-bath Craftsman-style home backs to a permanent conservation area, offering unobstructed nature views and exceptional privacy. The bright, open-concept main level features hardwood floors, crown molding, a versatile front dining/sitting room, and a spacious living room with a wood-burning fireplace and built-in speakers. The well-appointed kitchen offers quartz countertops, 42-inch cabinets, stainless steel appliances, a central island, granite-composite sink, and adjacent dinette, with plantation shutters for the kitchen and front room. French doors open to a large screened, stamped-concrete lanai overlooking the private backyard, enhanced by custom landscape uplighting and pre-wired for a hot tub. Upstairs, the spacious primary suite features two closets plus an additional walk-in closet within the completely remodeled ensuite bath, which includes a garden tub and separate walk-in shower. 2026 updates include new lanai screening, new carpet, new refrigerator, new lighting fixtures, new ceiling fans, new smoke detectors and new interior paint. Other updates include a new HVAC (2025), water heater and water softener (2023), and roof (November 2018). An attached two-car garage with built-in shelving adds convenience. A quiet neighborhood one block from a green space park, the heated Spring Park pool, playground, and Heritage Hall, along with nearby boardwalks and walking paths to Celebration's town center. Enjoy the best of dining, recreation, and Orlando's nearby major theme parks.
