Property overview

About this property

This spacious 4-bedroom, 3-bathroom home situated on a 0.16-acre lot in a convenient Orlando location. Recent improvements add comfort, style, and functionality, including a new roof installed in May 2023, new flooring, and remodeled bathrooms. A standout feature is the private exterior entrance to the primary bedroom, offering additional privacy and flexibility. This setup may provide an opportunity for a private guest space or potential rental arrangement. In the backyard, an additional brick paver pad provides valuable extra space that may be suitable for parking or storing a camper, trailer, or other recreational vehicle. Buyers who are permitted to use the space for this purpose, having storage at home could also help eliminate the need for separate monthly vehicle storage fees. With four bedrooms, three updated bathrooms, new flooring, a newer roof, a private primary-bedroom entrance, and additional paved space in the backyard, this home offers flexibility, functionality, and possibilities for a variety of needs. Conveniently located near major roadways, shopping, dining, schools, and everyday amenities, this property combines recent improvements with a practical layout and a desirable Orlando location.
