Property overview

About this property

Under Construction. A striking and refined architectural statement in Sunset Park, this exceptional custom-built residence is offered at \$3,975,000—crafted for those who expect more than just new construction, but true distinction. Purposefully designed to stand apart, this 5,760-square-foot estate embodies a level of intention, craftsmanship, and design continuity that is unparalleled. Every line, every finish, and every space has been curated to deliver a seamless balance of modern design and livable luxury. Spanning 5,760 square feet, this 5-bedroom, 5.5-bath estate seamlessly blends bold design with everyday livability. Clean lines, expansive spaces, and curated finishes create an atmosphere that is both elevated and inviting. An interior elevator and oversized 3-car garage provide convenience without compromise.. Built not just for today—but for longevity—this residence exceeds conventional construction standards delivering superior structural strength, energy efficiency, and storm resilience. Dual 18 SEER systems and high-performance materials further reinforce a commitment to sustainability, comfort, and long-term value—qualities that discerning buyers recognize and appreciate. This is a home that anticipates your lifestyle. Fully integrated smart home technology places control of climate, lighting, security, and entertainment at your fingertips, creating an environment where sophistication and simplicity coexist effortlessly. Beyond the walls, a private outdoor retreat awaits. The expansive pool and fully equipped outdoor kitchen create a resort-caliber setting designed for both intimate moments and grand entertaining—your own secluded escape in the heart of South Tampa. This is not simply another new construction home. It is a deliberate, stand-alone offering for the buyer who recognizes excellence, values precision, and refuses to compromise. New Legacy Homes sets a higher standard by ensuring your home does not leak air or let in dirt, debris, pollen, and moisture. This level of attention to detail is what sets them head and shoulders above other builders in Tampa. The list of features is extensive, but highlights include: Sub-Zero and Wolf appliance package, Level 5 drywall, NICE Home Automation System that controls everything from lights and stereo entertainment to the garage door and security. Additional features include a tankless water heater, paver driveway/lanai/front porch, large pool with spa, Outdoor Kitchen & in-wall pest tubes, professional landscape design, and a 22kW whole-home generator for uninterrupted power. A home of this caliber is not just seen—it is experienced.
