Property overview

About this property

Rare Bayshore Pool waterfront opportunity that combines iconic boulevard positioning with exceptional privacy and significant future expansion potential in one of South Tampa's most prestigious corridors. The property is uniquely set with a natural preserve and city-native green buffer along one side, creating an uncommon sense of seclusion and the best privacy along Bayshore, further enhanced by a newly installed perimeter fence and gated access with direct entry to the right-side approach with the garage on the left side. The residence has immediate access to Tampa Bay views, the Bayshore walking and biking path, and quick connectivity to Downtown Tampa, Hyde Park, Davis Islands, and nearby marina and yacht club lifestyle. It also offers a rare redevelopment/addition opportunity with potential expansion up to 11,000 plus square feet, allowing for a full transformation into a modern waterfront estate with elevated architecture, glass walls, and seamless indoor-outdoor living. Garage/elevator allowed for extra safety of your vehicle. The third floor has a true luxury arrival experience, functioning as a self-contained flat-style living space featuring a bedroom, full bathroom, kitchenette, and a large flexible lounge area, along with a dedicated laundry room equipped with double washers and dryers, ideal for extended living or guest accommodation. Additional design flexibility allows for a grand primary suite with panoramic Bay-facing views and terrace access. The main living areas feature a newly upgraded kitchen with a gas stove, dual refrigerators, and open-concept flow designed for entertaining, with wide sightlines and expansive "panoramic" water and sunrise views throughout. Overall, the property blends rare privacy, waterfront prestige, and redevelopment scale into a signature Bayshore estate opportunity with both immediate livability and long-term value.
