Property overview

About this property

An extraordinary waterfront estate set on 2.75 private acres, this grand residence offers an impressive 9,136 square feet of luxurious living space designed for both lavish entertaining and everyday comfort. Completely fenced and gated with separate entrance and exit access, the property features a private pavered road, expansive driveway with ample RV and boat parking, and a remarkable 6-car garage with enough ceiling clearance to accommodate vehicle lifts for up to 12 cars total. Surrounded by lush tropical landscaping with no direct neighbors, the outdoor oasis showcases a custom lagoon-style pool complete with a jacuzzi, slide, walk-in entry, multiple sun shelves, and dual waterfalls, along with a spacious cabana, private dock with two lifts, whole-home generator, and 1,000-gallon propane tank. An elevator services all three floors for seamless convenience. The first level was designed with entertaining in mind, featuring two walls of paneled sliders that create a true indoor-outdoor experience overlooking the pool and spa. Highlights include a 300-bottle temperature-controlled walk-in wine cellar, theatre room with upgraded AV equipment and wet bar, expansive gathering spaces ideal for billiards or poker, oversized island seating for 10, and an impressive lounge area. A private in-law suite with separate entrance offers a full bath, large flex space, kitchenette, and full-size refrigerator. The second floor serves as the heart of the home with a newly renovated chef's kitchen outfitted with high-end Thermador appliances, double ovens, two oversized islands, breakfast nook, and a large walk-in butler's pantry. The kitchen overlooks a cozy sitting area with fireplace and opens to a spacious terrace with outdoor grill. Also on this level are a stunning office with coffered ceilings, private bath, and balcony access, formal dining room, and a large guest suite with en-suite bath and private terrace. The third floor offers three additional en-suite bedrooms plus a large bonus room that can easily function as a fourth bedroom. The primary suite is truly exceptional, featuring a wraparound terrace with panoramic intracoastal and Gulf views, wet bar, double-sided fireplace, dual walk-in closets, dual vanities, and an oversized walk-in shower with four shower heads. Additional upgrades include a Control4 smart home system, surround sound throughout, and custom interior and exterior lighting. This exceptional waterfront retreat remained high and dry through recent storms, offering peace of mind alongside unparalleled luxury living.
