Property overview

About this property

If you are seeking a residence that exemplifies luxury, elegance, and modern sophistication—featuring striking architectural design and located in a prime location near the beach and urban amenities—this property is specifically designed to meet those requirements. Constructed with high-quality materials and fixtures throughout, from the front yard to the backyard, and from floor to ceiling, the residence offers four spacious bedrooms and three luxurious bathrooms. It is a unique, custom-built property; every detail reflects careful selection of premium components, invested with considerable time and attention. Upon entering the front door, one immediately appreciates the home's architectural grandeur and refined elegance. Inside, the spacious layout, contemporary design, and open atmosphere create a sense of luxury. High-end finishes are evident throughout the residence. The gourmet kitchen features modern appliances and fixtures that encourage daily cooking and family gatherings, and it seamlessly connects the kitchen, dining, entertainment, and living areas. The master bedroom impresses with its size and luxurious amenities, serving as both a tranquil retreat and an ideal home office, fully equipped with necessary facilities. The bedroom and bathroom suite offers standards comparable to those of luxury hotels, including an integrated Bluetooth surround-sound system. Elevated on higher ground, the property minimizes flood risk, as confirmed during severe storms in Milton and Helena in 2024, when water reached only the garage floor, resulting in more affordable flood insurance premiums. Enjoy your morning coffee in the backyard, overlooking a lush garden planted with exotic tropical fruit trees, including mango, longan, and sapodilla. The outdoor space features extensive tiled paving, reducing maintenance requirements. Located minutes from Seminole Lake Park, the property offers convenient access to scenic trails, playgrounds, a boat ramp, shaded picnic areas, restrooms, and ample parking—ideal for enjoying the natural surroundings. It is also close to famous beaches such as Indian Rocks Beach and Clearwater. Tampa International Airport is a short drive away, along with numerous shopping centers and restaurants. The residence has had only one owner since construction, initially intended as a long-term residency. The owner invested extensively and carefully in every detail. After twenty years, circumstances changed, but the owner's dedication to maintaining the home remains evident. The property was well cared for as a labor of love. Notably, the roof and AC were replaced just two years prior.
