Property overview

About this property

UPDATED PALM HARBOR HOME UNDER \$360,000! Tucked away at the end of a quiet cul-de-sac, this move-in-ready 3-bedroom, 2-bath home combines extensive recent improvements, exceptional outdoor living and a convenient central Palm Harbor location. Zoned for Lake St. George Elementary, Palm Harbor Middle and Countryside High School per the current MLS information. The single-story layout offers 1,124 square feet, an attached one-car garage plus driveway parking, and a split-bedroom design that works equally well for everyday living, guests or a home office. Inside, NEW luxury vinyl plank flooring (May 2026) extends throughout the main living areas, complemented by fresh interior paint and an open living and dining space. A distinctive wood accent wall adds warmth and character to the main living room. The updated kitchen features granite countertops, an undermount sink, stainless steel appliances, breakfast-bar seating and generous cabinetry. The private primary suite and two additional bedrooms complete the comfortable, functional layout. French doors lead to one of the home's most distinctive features: a private fenced outdoor retreat with a NEWLY REBUILT WOOD DECK (2026), level outdoor-living area, covered gazebo/pavilion and fire feature surrounded by mature greenery. The elevated setting creates separation and privacy, while the usable backyard area provides plenty of room for grilling, outdoor dining and relaxing. Additional improvements include refreshed landscaping and exterior paint (2026), a 30-year shingle roof with peel-and-stick underlayment installed in 2015, AC installed in 2019 and a solar-panel system installed in 2020. The current MLS reports Flood Zone X and exceptionally low annual HOA dues of just \$250. The location is another major advantage, with convenient access to Tampa Road and US-19 and easy reach of Downtown Palm Harbor, Downtown Dunedin, Honeymoon Island State Park, restaurants, shopping, parks, medical facilities and everyday conveniences. At \$355,000, this is a compelling opportunity to own an extensively updated single-family home in Palm Harbor at a price point that is increasingly difficult to find.
