Property overview

About this property

The new-construction Verona plan was crafted to surpass your expectations. All who enter will fall in love with its spacious layout and features, including all new kitchen appliances and multiple walk-in closets. When it comes to finding the perfect home, the Verona is sure to be the home that ends your search. A master bedroom on the first floor serves as an extra level of privacy for homeowners. Here, the spacious retreat hosts its own full bathroom with double sinks and a sizable walk-in closet with plenty of storage space. Homeowners will appreciate the amount of space offered in each bedroom, including the secondary bedrooms located on the second floor. With four secondary bedrooms, one of which has its own walk-in closet, and two full bathrooms on the second floor, growing families have all the space they could need or want, plus more. Best of all, the bonus loft on the second story can be used as a game room, home office or anything you wish!
