Upstairs, natural light fills the open-concept main living level where the designer-inspired kitchen, dining area, and living room seamlessly come together, creating an inviting space for entertaining or quiet evenings at home. A versatile third bedroom on this floor offers endless possibilities as a guest suite, executive home office, nursery, or fitness space, while a conveniently located half bath completes the level. The top floor is reserved for privacy, featuring two spacious ensuite bedrooms, including a serene primary retreat with an oversized walk-in closet and beautifully appointed bath. The secondary suite also offers a private ensuite bath and generous closet space, making it equally comfortable for family or overnight guests. Every detail throughout the home has been intentionally curated to create a warm, contemporary aesthetic. Wide-plank white oak luxury vinyl flooring with premium cushioned backing flows throughout, complemented by designer lighting, custom ribbon walnut accent paneling that creates a striking entertainment feature wall, elegant LED wall sconces, and thoughtfully selected finishes that balance modern sophistication with inviting warmth.
