## Property overview

### About this property

Charming vintage bungalow! Gleaming hardwood floors, moldings, and fireplaces, all situated in this prime Palma Ceia location! This beautifully maintained home boasts an almost new roof, updated wiring and plumbing, two new bathrooms, and fresh paint. The flawlessly renovated kitchen will satisfy the most discerning chefs: beautiful cherry cabinets with pull-outs, induction cooktop and convection oven, TWO sinks, and stunning stone countertops. The serpentinite stone has a leathered finish that retains the color and character of the stone, while sealing the surface and making clean-up a breeze. The large island is surrounded by extensive cabinetry with tons of storage. Both the formal living room and casual area boast fireplaces (one functional, one decorative) for a cozy ambiance. Lots of windows with extensive use of plantation shutters make the house light and bright, and all have been updated to hurricane impact strength, so they are energy efficient and quiet. Generous closets and an attached 2-car garage offer options for storage. The spacious master and two other bedrooms are downstairs. Upstairs could be a fourth bedroom or very generous guest suite. The location on a corner lot provides easy access to Westshore or the downtown business area.
